CTEK ANNOUNCED AS FINALIST IN 2018 STORA SUPPLIER AWARD

***Battery Charger supplier recognised for its contribution to
the Swedish automotive sector***

CTEK, a leading global brand in the care and maintenance of vehicle batteries, is celebrating after being announced as finalist for the 2018 Stora Supplier Award. This prestigious accolade is awarded to companies that have significantly contributed to the automotive industry's development in Sweden. Finalists were decided by a panel of industry leaders and experts who judged them on entrepreneurship, commitment to the environment, internationalization and research & development.

“We are delighted to be a finalist for such a prestigious award - we are really proud to be recognised for the contribution that we have made to the Swedish automotive industry. Globally the Swedish brand is strong, and as a nation we have a powerful story to tell. This is therefore a very special nomination that we are really proud of. Here at CTEK we continue to push the boundaries of research and development to bring new battery management technologies to the market that enable us to maintain our position as the leading global brand in our field.”

Jon Lind, CTEK Chief Executive
