CTEK HIGHLY RECOMMENDED IN CIRCUIT MAGAZINE BATTERY CHARGER TEST

CT5 POWERSPORT charger hits the spot!

CTEK, a leading global brand in the care and maintenance of vehicle batteries, is pleased to announce that its CT5 POWERSPORT charger has been given the 'Highly Recommended' award by German magazine Circuit.

The long-term, 'everyday use' test looked at the ability of the CT5 Powersport to both charge and maintain motorcycle batteries. The unit was commended for its quality, reliability, impressive 5-year warranty as well as its ability to get the job done.

"We understand the importance motorcycle owners place on a good quality, reliable battery charger, that will maximize battery performance. We are delighted that Circuit Magazine has recommended the CT5 Powersport."

Christian Fritz, Sales Manager Germany

He continued "For motorcycle owners, battery charging forms a key part of vehicle maintenance, especially when they are stored away for long periods of time over the winter. Having a quality charger that will keep the battery at optimal charge levels, to guarantee performance and extend battery life, is essential. We are delighted that Circuit Magazine has recommended the CT5 Powersport to its readers."

The CTEK CT5 POWERSPORT charges, conditions and maintains all types of 12V lead acid and Lithium (12V LiFePO4) powersport batteries. As with all CTEK products, the CT5 POWERSPORT is easy to connect, spark proof and reverse-polarity protected, for user safety and comes with a free 5 year manufacturers warranty.
